Jee – Richard is very good friend. He leads a =lbral Division for Douglass Elliman and is specializing in high end real estate.

I told Richard that you want to sell/buy something i= South Florida (I assume in West Palm Beach).

Although Richard can't represent you in this t=ansaction, he knows all best brokers there.

It might make sense that you two jump on the call so=you can describe what you need.

Richard's email is above and his cell is [REDACTED]

Best
