## Sun Devil Giving Day

Join us in celebrating this special day, by giving \$25 or MORE and you will receive one (1) Center of the Galaxy lip balm <<http://click.e.asu.edu/?qs=d9ed7a20280bbc9a0dabc2533b587b5ca6d5ecd15cc87bc59d2eff14403379603ac91f109e6586e8520e8e157284c910>> and be included in the Interplanetary email notifications for upcoming events and activities. Your contributions help students like Kevin to explore the unknown and not be afraid to forge new research paths. "For my degree, Interplanetary Initiative (II) allows me to cross boundaries, combine multiple studies, and merge completely different disciplines –the natural sciences and social sciences – a rarity in academia This multi-disciplinary learning experience combined with II's exploration learning style, provides me with a whole new way of thinking. Thanks to ASU, my unique background is being sought after by today's employers, providing me with choices for my career going forward." Kevin said. Sun Devil Giving Day benefits students by proliferating the Interplanetary exploration learning style. Learning to ask good questions whose answers cannot be found in the back of a textbook and ultimately advancing society. Help us to create opportunities for students by giving today.
