Hey Bossman,

Chris just called.

He asked if you will need him to come down to plant the Palms on both islands?

Dupson told Chris that LSJ is running on 1 pump instead of 3 and GSJ doesn't have any water to plant anything.

Chris request for the arrival of the New Palms: -Fertilizer
-4 pallet of potting soil (Not moisture control)

-Water on GSJ
-Water on LSJ

Ann R.
