My revisions to GIV offer are attach=d

I made it a =80 binding" offer in the opening paragraph subject to the Purchas= Agreement being executed.

See language in paras 2, 4 and 5 discussing the fully earned depos=t given as inducement to authorize work described at
end of paragraph 3 bef=re execution of Purchase Agreement stating in several places that there is n= obligation to
return the Deposit and Buyer has no right to receive the ret=rn of the deposit, including in the event Buyer rejects the
aircraft after t=e Demo Flight.

I w=s told that the Deposit money has already been wired to Insured Aircr=ft. However Insured Aircraft just told me
that they do not show it it=their account. I will check with Gary on that now. I have provi=ed that Deposit shall be wired
by Escrow Agent to Seller's Account i=mediately following execution fo the offer by the parties. I ha=e made Demo
Flight contingent on Escrow Agent's acknowledgement of r=ceipt of Deposit and agreement to wire to Seller's
designated accou=t. I am using the HBRK account as the account to receive the funds.</=iv>

Note that at the en= of paragraph 3 there is an obligation for Seller to pay for the 12 month i=spection items. Seller is to
pay for the items and not Buyer. Just wa=t to make sure you are ok with that. Larry is in Flight so I can =99t reach him
to find out cost of 12 month inspection items, unless he alre=dy told you and you approved I just want to make sure.
Please let me k=ow.

Also, Gary ju=t told me that they want to do the Demo flight on Sunday now, rather than M=nday. Not sure if that is ok
either. I left it in as Monday.

Please advise if I m=y forward the revised marked Offer to Gary for submission to Buyer. <=div>

Thanks.
