Please join us for a breakfast reception.

Guest Speaker:

Former Special Agent
United States Secret Service

<=b>
=ATE: Wednesday, June 27, 2018

TIME:  =A0 8:00 am - 9:00 am

LOCATION: =C2 Midtown, NYC

<=b>
TOPIC: =A0 ACTIVE SHOOTER AWARENESS

<=b>
Recent national tragedies involving active shooters have created anxiety, apprehension and even fear in the workplace. This can have long-term consequences on the health and well-being of the workforce, resulting in negative effects on work environment and productivity.

Employee awareness training in the areas of workplace violence, terroristic acts and active shooter scenarios assists in establishing policy and procedures that create a safer work environment. Employee intervention with an emphasis on personal safety, including the concepts of perimeters of defense, increasing awareness to hyper-awareness and action before reaction planning, will help in producing a staff that is confident, assured and in control.

Space is limited. Please RSVP to our New York office at 212-308-8500 or click [HERE](#) <mailto:mf@investigativemanagement.com> to RSVP via e-mail.

DIGITAL FORENSICS/CYBER SECURITY -- Cybercrime is at an all-time high and has become an ever-increasing threat. IMG's Digital Forensic/Cyber Security division can conduct a comprehensive assessment of your I.T. systems. This assessment includes an evaluation of the current security system's policies and procedures and recommendations to enhance overall efficiency and cost effectiveness. ◆=A0Eavesdropping devices, covert cameras, and other surveillance tools may be in use against your company, yet go undetected by traditional security or cyber security measures. IMG offers professional TSCM inspections (Technical Surveillance Countermeasures) for corporate offices, boardrooms, meetings, and any location requiring information-security and privacy.

SECURITY/EXECUTIVE PROTECTION - IMG provides secure transportation and security for your employees or family during international or domestic travel. IMG personnel conduct reconnaissance in the areas of the particular visit, which could include preparing primary and alternate driving routes, identifying safe locations, medical facilities and centers of law enforcement and liaising with other representatives, security organizations or government agencies as required. IMG performs a comprehensive analysis of a company's vulnerability to a range of threats, including terrorist attacks, natural disasters, workplace violence, theft and spying.

BACKGROUND INVESTIGATIONS / DUE DILIGENCE --C2◆IMG provides a comprehensive analysis of a potential business partner, entity, investor, employee or individual, both domestically and abroad. IMG conducts inquiries that include federal criminal records, civil litigation, employment history, UCC filings and warrants, real and personal property holdings, all corporate and business affiliations, regulatory searches in relevant industries, United States Tax Court records, and a full media search, including relevant trade and business media. <=div>

LITIGATION SUPPORT - IMG provides a range of investigative and intelligence-gathering services on behalf of attorneys and their clients. IMG assists legal counsel in the discovery process by identifying and interviewing witnesses, locating assets, assessing net worth, and conducting background investigations and surveillance when appropriate. When investigating internal fraud, workplace violence, sexual harassment and discrimination cases, IMG works with companies to uncover early warning signs, creates an action and response plan, and helps deploy professional staff to assist and counsel employees in the aftermath of an incident. To help build cases, IMG utilizes digital forensics to uncover infiltration or tampering with computer systems and electronic assets, and helps recover lost data and communications.
