<<http://giving.mou=6Etsinai.org/site/R?i=16ZD2PEhtDERqls8QfVj5g>> =3Cp style="margin: 1em auto;">Dear Jeffrey,

Today is National Doctors' Day – and I wanted to tak=65 a moment to drop you a note on behalf of our team here at Mount Sinai.<=2Fp>

There are over 7,400 specialists and=20primary care doctors serving across our health system, plus thousands mo=72e residents, fellows, and medical students. Our physicians go th=65 extra mile every day to ensure that our patients receive the care and c=61ring that they deserve, but none of that would be possible without you, =4Aeffrey.

Your generosity br=69ngs our passion and creativity to life. My colleagues and I are able to =77alk into our labs and exam rooms every day and propel the practice of me=64icine forward because of everything you do to support Mount Sinai &ndash=3B and all of us want to say thank you.

I've compiled notes of appreciation from a few =6Ff my colleagues, because we want to share just how much your support mea=6Es to us this Doctors' Day. Click here to read the thank-you not=65s, just for you.
