It's down to (the new) Evil Empire in Menlo =ark or doing my own thing. I was down with Sheryl last week - and am waiti=g to see if I'm getting the call to go meet with Mark. There are many =hings interesting about the role, and lots of reasons to walk away. I am t=ying to not have my ego make all of the decision here.

=ve started the process of setting up my own LLC (which should be done=by mid-week) and have a temporary gig with the Rockefeller Foundation for = couple of months - which I can eject from if the Facebook stuff comes tog=ther. So I'll be on the east coast about half the month starting in Ap=il.

You are a patient person to put up with=this dithering.

BTW - I decided to start wi=h Triver's Adventures of an Evolutionary Biologist before = tackled Natural Selection and Social Theory. It's my appetizer=before the more formidable main course.

How=was Paris?
