It's National Poetry Month, and we have exciting news. Look out for announcements of new Poetry in America projects later this month, but first, we'd like to share news of an upcoming event in New York City.

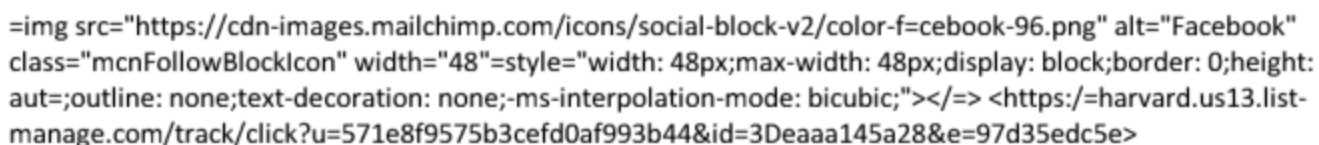

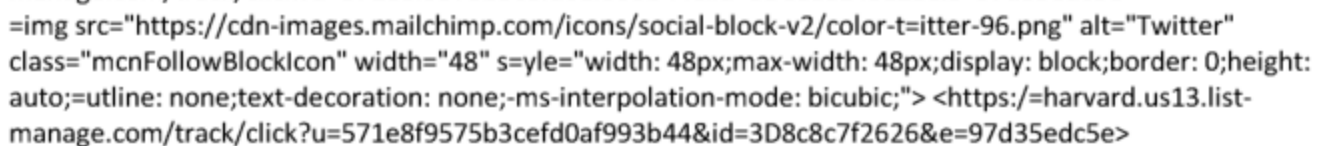

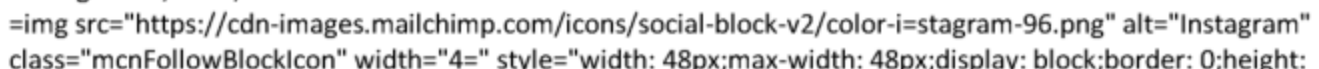

On April 16, at 5:30pm, Poetry in America will be co-hosting "The Power of Poetry" with The Robertson Center. This evening will feature PIA director Elisa New, acclaimed poet and critic Joshua Bennett, and Success Academy Founder Eva Moskowitz. The participants will share and discuss poems, and will consider the importance of poetry in education, as well as how educators can ensure that their students have the resources to enjoy and learn from this ancient, timeless art.
