BlackBook=Interview: Emily Wells on Leonard Cohen, Free Will and Not Letting Cyni=ism Win the Day
<<https://bbook.us7.list-manage.com/track/click?u=66f2910d9e4722c7682ef4881&id=e53533e9e5&e=39e1f2a352>>

As the "experimental wing" of contem=orary music finds itself inching ever further towards the cultural margin=, the glorious anomaly that is Emily Wells somehow manages to continue=to enrapture bigger and bigger audiences with each passing year.

The American singer-composer-multi-i=strumentalist (described by The New Yorker as having "a boundles= imagination), has just released her 10th studio album, intriguingly=named This World Is Too ____ For You - which pulls no punc=es in regards to the intensity of its socio-political, yet very human o=servations. To wit, the acerbically titled "Come on Doom, Let's Party= - a haunted, Teutonic dirge, which finds her doomfully chanting, "=et's get it over." The psychedelic-baroque "Eulogy For the Lucky" chillin=ly finishes the thought: "No personal Jesus / Gonna save us."
