These are the easiest cameras to install discretely. We =99d need one for each install location.

\$179.00

The Nest app is likely already installed on JEE's phone (can be added to any other iPhones / iPads if wanted), I'll just need to add the new account to it.

There might be an issue with the 3rd floor dressing room as the WiFi in that area isn't great, I'll have to try to see.
