Big N is at Subbase Dry Dock at the moment.

Gene is putting her back into the water this afternoon= It will go to Crown Bay tomorrow night or Tuesday morning and our guys will= get it strapped and tied properly.

I'll forward photos once Big N is secured.

Gene said this morning that it can't stay during the storm even though he personally told Daphne and myself on Friday that it could. Gene said Hurricane Irma might be too severe for SBDD to hold Big N so for safety reasons it won't be able to stay.

Good Day Ann,

I have attached our Hurricane evacuation protocol.&nb;p; This has all the information needed for staying in the marina during a storm. From the nights that are not occurred during the storm the charge will be \$2.00 per foot per night.

70 x \$2.00 = \$140.00 per night. If you have any other questions or concerns please feel free to give us a call.

Thank you,

Liza

Hey Bossman,

I've been speaking with Liza from Crown Bay Marina (across from SBDD) to see if they can fit us into their storage area. Liza is working on it and should have more info on storage fees in about an hour.

Our only other option is for Carlos to take it to Virgin Gorda this afternoon but I don't think the Barge is capable of that route due to bad weather, worn seals on steering shaft, water going into the engine room and Hydraulic fluid leaking. The cut off date to deliver Big N to Virgin Dry Dock is Monday morning.

awaiting storage quote from Crown Bay Marina. I'll keep everyone posted... =/span>
