Hello Jeffrey!

Seems like it's pretty hard to get an apartment. We both don't have enough money on our accounts.

Me and Dave found a really good one and trying to get it, while looking for something else.

I've convinced him that I should have the money on My account to prove that we have enough.

Hopefully we get approved this way and I simply transfer the money back.=/div>

Worst case scenario- Dave had to do last time he got an apartment in nyc- is to pay the rent for a whole year upfront. I hope it won't come to that, but there is a possibility..

Could you please transfer 54.000 (money for the whole year) to my account (it's all just in case of emergency) I really hope it won't come to this!!

But if yes, Dave would pay it back as fast as he can!

Please advise, how much is reasonable..

I can call you and tell you everything I know.

Thank you very much for this opportunity!!
