Sorry but the messages I attached are REAL, nothing =s fiction here. They are screenshots of your own words, just read them !!!=The tears I endured for 3 years because of you are real, not fiction. The =oney I spent on psychologists after your moral destruction is real not fic=ion. I finally opened my eyes after I asked you if we could speak ag=in and you answered back "I only had one chance to make you an off=r that you couldn't resist". This made me understand what =ind of person you are because you only do things if you get something in r=turn. In less than a year my boyfriend bought me an apartment, a business,=a visa, gave me security and happiness without expecting anything in retur=, just love. I didn't expect anything from you but if I have to co=pare which comes natural, you left me with ZERO, took me out of school and=destroyed my psyche. Even if I erase your name Jeffrey, the scar you left =nside me is FOREVER. I hope you will realize this one day. Good bye <=iv dir="auto">

The m=re I see how kind my boyfriend is, the more I realize what a horrible pers=n you were.

When I loo= back at the messages you were sending me it was constantly about putting =e down all the time, asking to send you naked pictures and finding you gir=s. If I would say "no" you would reply "you never =ollow directions", "you only think about yourself"= "you are a spoiled brat", "you don't want=to learn", "why the other girls say yes yes yes, you only =ay no no no". You pretended to be my best friend for the only purp=se of using me and when you understood I wouldn't give you what yo= wanted you completely disappeared causing me great pain and psychological=damage. Now that I took a step back I realize how disgusting your behavior=was. Now I finally know the difference between good and bad humans and tha=ks to you I became closed, careful and considerate.
