Hey Friend

I hope all is well with you, where ever your are in the world

Jack and Monique will be coming in NYC this summer in July. I've arranged their tickets, and they are happy because they have not been back for a long-time.

I would be happy to host them with me at the Mercer hotel downtown, however=they would prefer seeing you and staying with you if ever you plan to be in town.

They are happy about everything and are hoping you can spend a little bit of time with them (we are all cognizant of the unpredictable nature of your busy schedule)

Anyways, it's from the 16th til the 20th of July: let me know if that could=work for you (both Jack and Monique)

This is assured on their side and should not change

All the best
