1—I will not be seeing you soon in NYC—Hunter was a debacle—they were going to pay me an Adjunct Professor's salary of \$5500—such an organism is typically someone who has just gotten their PhD or is about to—god=Almighty i would lose \$20,000/4 months to work for them

3—BTW i did have the good sense to buy 4 acres in 2007 off my Cra=oord Prize for \$70,000—it is now worth \$250,000—and double= in value every 6-7 years—has nothing to do with the stock market=E2 entirely due to external pressures—returning residents who=need to buy land—and far more important my land gives view at 1800=feet down to the ocean—indeed my land is part of the original Sout=field Plantation

i don't cut trees i plant tr=es, so my land doubles regardless—problem is i would rather cut of= part of an arm than sell any of it !

would love =o talk to you later

all best
