Luis just called me back. He said he'd also been in comm=nication with Rich today.

As far as timeline for comple=ion: he thinks one week, by the end of next weekend for sure.

As far as the library goes, he says because the floors have be=n waxed, poly is not an option. It will not adhere to the floors. He can w=x and burnish them, or they can attempt a European hard wax oil. He said h= would work it into the same timeline for completion.

=div>Shall I have them wax the floors and see how you like it?
