Good Morning,

Sorry, but we are going to decline =n this work. We are under new management, and our focus has shifted =o our local clientele only.

Due to our rest=ucturing, we cannot support the request to send or support equipment overs=as anymore. We do not have the resources to support warranty claims and/or=service claims outside of our market.

=y apologies but we need to pass this opportunity on to another company tha= can better handle this request. We'd be happy to check w=th our vendor to see if there are authorized Panasonic dealers that handle=that market.

Regards,

Good day, I would like to setup a time we can have a=discussion pertaining to moving forward with a VoIP Telephone System and P=E VoIP Telephones to include (1) UCM with 16 Port FXO min and (1) UCM with=T1 – port or Fiber Port connecting directly to ONT Circuit from VIYA Network in the Virgin Islands.

Please email me any documentation of such systems pr=or to our tele-conference meeting.

Thanks in advance.

Hey Richard,

I'll put something together for you. Is this to replac= the existing system? Any
changes to it besides newer models?=C2

Richard,

=A0 Just following up with you to make sure Adam's email reached you, let us know how you would like to proceed with getting the photos to LSJ. Our warehouse will probably not be able to do anything with them until Monday at this point.

Steve
