Subject: G550 gear inspection

Jeffrey,
Since IJI could not accommodate us next week.
Pete said he can accomplish the G550 Landing Gear inspection in Teterboro with Meridean Mx guys assisting,
3 days down time only. We have the GIV as backup plane until the 15th if needed.

Just an option, since the deadline is April 15th to start the Gear on the G5=0.

Thx
Larry
