Dear Jeffrey,

I hope that this email finds you well.

I am seeking seed investment for my start-up in Africa, and I am reaching out to very, very kindly ask if you would be willing to give me some advice? Thus, may I ask, would you have the time to speak with me / meet me at any point? I am in Philadelphia, and would be available to meet you/speak with at any time that is convenient to you.

I wish you a good afternoon,

<[REDACTED]>

Kindly,
