The car was relocated and re-registered in the USVI, but it is now scheduled to be sent temporarily to Paris. It is Bella's understanding that the car keeps its USVI Reg and Plates when it is in Paris. I can modify the letter to indicate that the car is being temporarily located to your vacation home in Paris, but we don't provide any Paris car info. I can also wait until we get the reg renewal request from NYSCJS and we can decide then what to advise regarding the car. My preference would be to advise about the relocation and re-reg in the VI. If we decide that the car will not ever come back, I can take it off the list altogether. Please advise.

Attached is a draft letter for your review regarding the relocation of the 2015 Denali from Florida to the USVI. Please advise if I should send to NYSCJS or wait until we get the April annual renewal request from NYS CJS to advise of the relocation. The updated info was included in the master list you gave to Pinney.
