G=od Afternoon

After emptying everything out of=the Lodge, we realized the poor shape of the Formica Counter Tops, especia=ly the office & master bathroom We obtained a quote for Whi=e Quartz for \$4,500.00, given the size of the slabs there would be a littl= left over that we could place in the staff bathroom (1 sink counter =op) at Ranch Central. Attached photos of the Formica Counter To=s in Office, Master Bathroom & Guest Bathroom. Understand if you would=prefer to leave as is, but did not want you to be surprised abou= the the condition/color of existing Counter Tops

Please advise if we should leave as is or change out <=div>

Warmest regards
