I will have to look up who I spoke to. But I forgot their names instantly b=cause they had no useful advice. I also shut down the conversations quick=y because unless someone has something to contribute I don't want to discl=se to them the kind of info they say they want in order to proceed.

I am trapped inside a convention tent at Harvard waiting for torrential rai=s to subside, after which I will try to call you.

I will call you. All good points. I have answers.

I dealt with relationship management people at GS and JPM and asked them wh= we should talk to. I found myself talking to derivatives and wealth manag=ment people. Nice, but not helpful. Would be extremely grateful for names.
