I sent Luis an inquiry this morning and am waiting for his response. I requested three pieces of information: 1.) a bid on redoing the master bedroom, 2.) details on his conversations with you and/or Rich regarding library floor, 3.) a timeline for all projects.

Alex and Andrew seem to think the four cabanas, chillax and chillax bath, and the flagpole pool will be finished by the 31st. The library and redoing the master will take additional time - a few more weeks.

We are redoing the master bedroom to get rid of the scratch. Correct?

We can hold off breaking everything back down in there until they are ready to begin work on it in the event you'd like to return before then.
