Did you meet with Ana . magnus. etc. hou=e of Nobleman email. address. . no biz for a while? ♦=A0 . can speak over the weekend if you like . I re=urned to Paris only to be welcomed with a whole lot of whining about=, how I postponed or canceled meetings that had been set for months =quot;how could I "? BLAHBLAH. making my apologies a=l day yesterday , . that being said. =C2♦ - I am certain you do not realize how distasteful I find it to have you question my truthfulness and honesty . You easily take Alan , a=hardly disinterested third party , terrified of losing his biggest client, at his undocumented wor= . You choose to ignore the elephantine fact that he has never come up with even one unique idea prior to or since=-- you then require me - , me? !! , to put together a well researched trove incontrovertible =evidence to prove something to you that should be obvious , and afterward when it would take only two minutes of your time , and=C2♦ have the entire matter put to a well deserved rest , you tell =e you dont even want to look at it, . you want a meeting. All in the=name of trying to save yourself some money. Clearly , not the way I have ever dealt with you. ever!
