We can add a border stitch if you would like.

The leather will be back from the skiver on Monday morning. At that point we will wrap and insert. I will be happy to pass along photos at that time.

Jeffrey,

I'm sorry I'm out of the office today. Let me see if I can have someone in the shop pass something along.

We will be routing out the center of the table and inserting the leather in its place. The existing hardwood perimeter will remain around the table.

This will be on just the two FWD right hand and left hand tables.
