Subject: Rust Remediation

Good morning, Sir,

Maurice B=dminster will begin working with us Monday for \$35 per hour. My aim is to =ave Kerwin back in this week to do the additional tile work requested at t=e tiki kitchen, but if he is unavailable, Maurice will address this first =hing Monday.

Otherwise, Maurice's prima=y objective will be to begin with all the storage and utility spaces aroun= the main compound that I showed him last week. He will be addressing rust= and also unnecessary pipes, wires, hardware, cleaning up nests of wires, =emoving what is no longer being used, and painting, all with the general g=al of making the spaces "look like they belong to a brand new house.&=quot; Per your request, I will introduce him to Cashkim so Cashkim can crea=e a before-and-after catalog of photos of the work accomplished.

Thank you,
Stephanie Remingto=
