Bella

I notified Carluz on many of =ifferent occasions prior to the removal and replacement of the ficus =hat there was many different wires and pipes in that area. I explained =hat I could fix the pipes but he needed to have the electrician on =all.

The stone on the step was loose =nd was an innocent accident that it pulled up.

I called him within 5 minutes of it happening =nd he said that he would contact the stone mason to repair =t.

Yesterday when I was =t the house he stated to me that the stone guy didn't want to =ome fix it because it was to small of a job.

Thanks,  
George
