did you get the doc? eileen. . 1.=C2♦ still have not gotten an answer or even a response to the quesitons = asked of
jon and a. . invest etc. . 2= i m concerned that if i push too hard he turns you in to deb.=. . littles incentive not to. .
3. som= housekeeping. . i dont want to know where her money goes.♦=A0 . I do want to know how much cash you
have taken out so far=this year. 4. j trust empty, clo=e. . 5 , off books. . 6 . Im sure you didnt mean to insu=t me.
and I let it go in the past as your mental state was not open =o the simple and easily proven truth. howver , IT is
not=friendly to accuse me of stealing. . that s how i see it. . In the r=alm of science and ideas. the world I live in ,
stealing=someones ideas is a much greater crime than stealing their money. . =C2♦ thats a peyty theft or a felony ,
stealing ideas and tak=ng credit for them, is the lowest of low. . . the idea that you thi=k I would steal an idea from alan
halperin , who has yet to show you anytning new at all. in 4 years. is ludicro=s. 7 the exchange agenet issue. , is
e=blematic of main issue that i see. I told you and heather that i hav= bever seen that transaction done that way, where
a qj ,not a galler= avoids sales tax. you have and office of barry , who has no expere=nce . and and office of c plusses. .
they tell you somet=ing . you want to belive. the exchange agent is a pain f=r you. the risk of a 1031 audit has
increased.♦=A0 . and this is what i have warned against . just lik= the plane. . making life easy for the other side.
