Excellent article !  
Congratulations !!!!  
Looking forward to our meeting  
I disagree with Neil De Grasse Tyson  
Science is not " truth " !

It's a method of human inquiry that yields testable=results that are useful for creating technology and even help cure a small=percentage of chronic illnesses .

The only " truth " if any is the consciousness= in which science is a particular system of thought. No system of thought = science philosophy , theology or religion gives us access to reality or truth . Only going to the source of thought itself can we get a clue to=the nature of existence .

Science cannot teach me to love , have compassion , joy=, equanimity or show me the meaning or why of existence .

I'm conversing / debating Shermer again in last wee= of September in NYC .  
Tyson etc will be there . Would love to have you jo=n .

Love
