Did you meet . magnus. etc. house of Nobleman email. address=. no biz for a while? . can speak over t=e weekend if you like . I returned to Paris only to be un welcomed with a whole lot of whining=20 about , how I postponed or canceled meetings that had been set for months "how could I "? BLAHBLAH. made my =pologies . so im sure you cannot understand how odd i find it to have you question my truthfulness and honesty . You easily take Alan , a=hardly disinterested third party , terrified of losing his biggest client, at his completely undoc=mented word . for some mysterious reason you choose to ignore t=e elephantine fact that he has never come up with even one unique idea prior to or since=-- I have no doubt when it comes to anything else but having to pay mone=, you are 100 percent sure I am on your team. =A0 whether AF GIGI A or Giacometti . I always try to do things that are s=ley in your interest and hopefully without your knowledg= as i view that as the highest form of friendship. so - it is =o strange finding myself having to put together a well researched trov= of incontrovertible evidence to prove something to you that should be obvious . I know in the end tha= you will do whats right. and hope we can put together a detailed plan for=20 the future that allows more fun and peace in both our lives. .=C2 There is an abundance of consultants your office h=s hired. tax ,plane, IT. it needs YOUR input. otherwsie =t is bogged in tactics before strategy. You can fire at least half your of=ice. no change.
