Between thunderstorms today., I was Able to get 3 test flights in,. Ride fee=s very good,. But the computer blade track box indicates we can get a bette= ride,. I figure couple more flights tomorrow and I should be done, and ret=rn to service, tomorrow afternoon.

May be best for me to wait until sub-Tropical depression 92L moves away from=Nassau and south Fla,. Maybe depart Sunday to STT,.

Once I get past Bahamas, (approx 300 miles) satellite looks pretty good to S=. Thomas.

I'll keep watching the weather,,

Thx
Larry
