Hi Jeffrey,
<=iv id="AppleMailSignature">

FYI - Daphne and Una will be attending an all-day VIEDC conference on Tuesday, August 29, 2017 <x-apple-data-detectors://0> . They requested that two persons from each EDC company attend. The morning consists of a general session with a key note speaker at lunch. The afternoon consists of breakout sessions on different topics.

The complication is that I have pre=and post op appointments in NY that day and will be back in the office on t=e 31st and Jeanne is scheduled to be off-island all of next week. The=efore,&nbs=;Jermaine will be the only person in the office that day to answer the p=ones, etc.

The VIEDC w=s notified of Daphne and Una's attendance two weeks ago. Please let m= know if you have any questions.

With warm regards,

Cecile
