Max,

I presume it is clear that the recent proposal transmitted by Harry's lawyer that I should be satisfied with a handout of 100k a year from the Marital Trust is too disgraceful for comment. I would like to know what further information you require for reimbursement for tax payment. We have previously transmitted a great deal of financial information in order for you to reimburse our taxes, including proof of payment and more. =C2♦Exactly what more do you require, and with what justification? We see little reason that you cannot act on the information already provided. As for the claim about concern for my later years, that has been thoroughly refuted.
