Yes, please, invite anyone you like, all are welcome.

We plan to have Deepak on stage for 2 of the 5 segments (that encompass the hour), each about 10 minutes long, discussing science and spirituality/religion and the other on science and the nature of reality and how we know what is true (in the context of fake news and alternative facts).

Time window is 5-7pm, then to the after party from 7-10pm.

Details to come.

It's going to be great. We have a magician showing how easy it is for any of us to be fooled. We have Baba Brinkman, the science rapper (Deepak=would love his rap song on consciousness), doing a new rap on science and skepticism.
