Glen CIO asked to re-schedule as had to travel urgently, however introduced me to ex-colleague, friend and neighbor of his who was in NY, which I took as a good sign. Had a great meeting, hit it off, will be recommended by him to CIO as well. Getting after the CIO Monday as soon as I get local number up and running. I believe I'm still in the game with them.

Other meetings\interviews are being set up as well. Will keep you posted!
