Jeffrey  
Pete sent more photos today,.

1-Pete noticed we have a CAS message, "EVS Maintenance" appeared on displays=today, Pete spoke with Gulfstream Tech support, appears to be a fault in EV= Widow camera controller,.  
Exchange Priced \$6500, Part will arrive Monday, Pete will install, Small b=x behind Capt seat.  
2-Jay had to send the R/H Fwd  
Cabin window shade for repair, It would not open or Close, should be back T=esday next week, All shades worked fine when we arrived, I'll make sure to i=spect and functionally check all interior lights, shades, stereo etc next w=ek.

Coincidence? I'm thankful Eric is not doing any major alteration, We flew=the G550 on 16 trips, with NO issues,.
