1 Leon had I known from the beginning what i know now, I would never have gotten involved with ana s issue never ! ever. ! . / =C2 I have 40 years of experience dealing with the IRS , I n=ver have cheated ,evaded or crafted ridiculous returns . =C2 I am maniacal in taking carefully crafted thoughtf=l positions that even if we dont get the benefi= of the full a=ount (i have no recollection of any total loss on any position.) =C2 we get most of it. . Hence my credibility with the IRS=C2 is unsurpassed. my research is detailed and =he case laws are always relevant. Anas=situation is emblematic of my warning s and advice that conti=ues to go unheeded. . I have repeatedly told you that th=se girls , all want to show that they are clever, come from countrie= where taxes are rarely paid and on top of that , they have no exper=ence with real rules, money or biz . they always push th= envelope beyond the pale unfortunately usually ending=up getting the principal in serious trouble. . (sometimes by design=C2 , but i m sure , not in this case). For si= months I have asked you , her and her gay bookkeeper if there was somethi=g i didn't know , as I found this audit highly unus=al.- highly ! not helpful that you with the usual voice =f authority telling me in no uncertain terms "what the a=ent really wants" . I continue to be amazed how you , barry, and brad share ve=y strong detailed views without even one day of true experienc=. and relying on joslin and tom I will review with you the fa=ts on the phone .

2. I can easily ignore the fact that=your concern of deductibility of the first 100 million that saved your finan=ial life. and provided a resurrection of 3 billion dollars of =span id="m_9001159257864568465:1e9.11">grats that had died =s not balanced by the recognition of what you had received and not to date=paid for . Each time you have chosen not to pay what we agreed. =A0 or what has been written by me in many emails BEFORE the transact=ons are complete. you tell me that tom and joslins advice is one of the reasons that you=feel you shouldn't pay the amount owed written or agreed. (=mind you , this only happens AFTER you have received the benefits of=my advice) you then add the easily refuted and =illy argument that it was Alan's idea. BTW =A0 It is and would have been super easy for you to set a meeti=g if you had chosen to get to the bottom of this farce. . you =ave met with brad. there are memos. there are ema=ls (which you choose not even to look at , for , I can only assume = for fear that it is as clear as I suggest it to be .). NOW - lets =ssume that i show you alan

3 It seems you have f=r gotten that you asked for my HELP! . Gigi, Carlyn= audit , gift tax audit audit. 8865, =C2 gagosian cont=act. underpayment of Apollo offshore. tax. now AF and A . =A0 - it is wholly unfair that after I tell you what I will charge , =ou say , don't worry _ as you know we always work it out, =omplete the transaction to your benefit and then and only then you d=cide not to pay , you then categorically state ,(true) that=C2 I never agreed to your emails or even read them, or ag=eed to follow our agreement which I unilaterally considered null and void = but this happens AFTER the fact.

4 Frankl=, it is harder to ignore the fact that after helping you save millions and=millions on the Giacometti. (including now for the first time , havi=g to record a 5 million dollar loss in my trust . you have =A0 forgotten about the lotus flowers you had promised to deliver =A0 and have failed to even buy me lunch . =A0 not sure what is going on. but it is clearly not the normal=you.
