Leon, =C2 Congragulations on biting the bullet. =t least 18 months late , but I m encouraged and glad for you. =  
There is a HUGE amount of work to be done in the next 9 month=. mostly the exact same work that i outlined in my  
email of =A0 2 years ago. ( you can send it again if you like ) . Brad =echsler is a dope. . sorry, I have been sayingt he  
same thing =or a long time. he was a not a step up from eileen but a step sidewa=s. in the begiging there was eileen  
and Tom and ralph le=ner. all your hand picks. then brad. john, j=e. and threee others that i never met. . joslin wa=  
chosen from apool of 2 peopl. each that would be limited by a salar= of 250k. I did say hire both lisa to do the  
bookeeing and jo=lin tax, He complained for over a year , re his directi=n by eileen and ada , and then brad. His  
breakdown was not a s=rprise after months and moths of warnings. though disabled =A0 he ran your office this year.  
with john and joe. He ran amok, and=as i told you he reminded me in most of our conversations that=you told him that  
he works for you and not for me and that brad need= to see everything becuase he pays him .

=A0 . Asking me who to hire

I have taken heat for yea=s over the fact that i gave you no more than carlyns name, =A0 . no follow up questions no  
interactions , not even a singl= question ( that was eilleen \_ ) but somehow carlyns fuc= up was my doing. . when i  
told you th=t i thought eileen wasnt up to the task, you ybellowed that i was ta=king out of both sides of my mouth. .  
You to=d me this year , that by trying to protect you from crazy joslin, I=had in essence fired him and it was my  
responsibility to do his work.=C2 it then turns out that he didnt consider himself fired =t all just received less money.  
and continued to =ake a really complex mess. . Joshn castrucci, was also m= doing , though email after email said , I  
take no repsonsioity for him,=C2 i think you shouldbt hire him, , your respoinse was that was o=ly beacuse i didnt trust  
him. last jan you told me he was gone= however he too is still there, and a waste of mon=y and space.

=C2 My time is complicated by donalds potentially eviseratin= any reason to have the foreign funds repatriation  
plan that i had p=t together. . however as you are aware I have some prett= severe decisions to make re my time in the  
next year or two. =o at least for a few weeks I am unable to commit much time and make =ny future plans to redo  
your procrastiantion produced mess.

You have a ball of string that your retarded children have formed , It has to be carefully unwound = even the substitution of barry for your next trustee, needs careful=C2 focus on procedure.s This is no easy task. . org=charts. books , balance sheets . trust valuations. are all a p=rt.

a re fresh of your estate plan . . =lats , trust. partnerships. grats. llcs. ban= accounts , filing requirements. etc. A long overdue revi=w of the brh tra and shareholders agreement to see how they fit into new =A0 plan. . XXXXX planning. art p=rtnership engagment .. , airplane re-do. , buying another. . ? =boat sale , miami sale. . TRADING ACCOUNTS. . thre= years over due. . an accounting system. =A0 fire john .. joslin stays for a year. or so. so=does tom. Im not sure wechsler is smart enough to be a trustee= so it would be nice if you had an alternative. I would =ove your son josh to do it. if i can figure it out for tax purposes.=C2 Sell Artspace and shut down regan arts. . rational=ze. cash flow reporting. cash mgmt. stock sales. s=c irs. gaming. foreign reporting. the 8865 mess wi=l take months to review. . you CANNOT file unrevie=ed audited documents. . CANNOT> thi= will be very detailed work. . all avoidable if th= call would have come to me , and we shut it down quickly. =C2 limiting it . or containing it. . . you will=need five new hires .a s there is no one in your office that is trul= an A player. I have great hope in Barry as you know. =A0 He will need to be trained. this is an unknown for them moment.=C2 time issues. After 4 years of telling you , that y=u could do better than Halperin, im glad that you believe barry . =A0 I take no offense in fact I take comfort in the fact that a=ter only one conversation with barry you are now convinced to make a chang= - as long as it happens. .

I =xpect as a friend you will understand that

=A0 I will no longer , not for one day , work on your aff=irs . without compensation . your unilateral idea of after car= , not imposed on any professional , except me, not paul weiss , to=, akin , , no one. is finished. though you and I had previosly=agreed no more of that , after you decided not to pay me per our agr=ement. you have email after email , in the begiing stati=g that , if you save a great deal of money, you wont want to p=y , so limit it to 40m per year. water under=the bridge

If I can find the=time to work , on your project , which is not certain as I have said=, I hope you undertstand that it now will have to be under my =tandard terms and conditions. I never want to have any m=re uncomforatble money moments with you , I find it suprementl= distasteful. . so to be clear , my terms are as f=llows . I will only work for the usual 40 million =er year. It needs to be paid, 25 million upon signing an agree=mnt . 5 milion every 2 months thereafter for 6 months . = will immediatly stop work , if the payment is not received. =C2 you will be left with a new estate plan a running office. =A0 a tax plan . and an investment that returns more than any painting you =ould possible own. . no agreement no work. t=ough I of course will talk to barry for the hour that i promised . =C2
