I would appreciate if you could tell me when you have time what I should do in specific in order to improve (besides what I'm already doing) since it seems that what I'm doing is not good enough...

Right. I just wanted to ask you if you would appreciate it before spending time and money on it. I guess being thoughtful is meaningless... I think of you all the time and as I told you before I would love to learn something that I can do for you, that can make you happy. I didn't expect any thank you in return, just an approval before starting.

Selling tickets at the door in order to help my cousin maintain the [REDACTED] isn't doing ? Finding relevant people to discuss ideas and solutions for this place that I'm deeply attached to ? Working with photographer ? Learning to cook ? Exercising ? I'm trying to deliver things in my own little way.

If you have anything else specific in mind that you think I should do, deliver and produce that is in my capacity or something that can make you really happy please let me know. =/div>
