Subject: Re: A suggestion for collaboration

I'm teaching in SD

Let me find out just what this one study will cost. Should not be much. I'm grateful for your support but want to make sure funds are used properly and carefully. Love

Dear Colleagues,

Ramses is a prodigious savant I have been studying for 2 to 3 yeas. He has been able to read several languages since the age of two, and exhibited "telepathy" before he heard his grandmother say it was &q=ot;evil." He recently moved to San Diego. I would love to discuss his case with Drs Ramachandran and Treffert. He is

not camera s=y, and will be the subject of a chapter in a book by Linda Federico-O'Murc=o. She is an author writing about prodigies and geniuses and will be in Sa= Diego in September. Please let me know when it might be convenient to talk.

Best,
Diane
