I sent her to Brazil to do a story for L'official. Not sure what h=r deal is...I guess she dates younger guys? What's that about, t=ust issues, needing to feel in control?

Something I can't =igure out: the two times that we've been together she wouldn't eat=anything, not even ice cream. It's like she's afraid to eat around=me or she doesn't feel comfortable sitting across a table and talking.=What we always do is walk and talk - which is actually one of my favorite thing= to do - so not complaining, just trying to figure her out. And then I ran=into her by chance the next day and she was smoking a cigarette...which I =ave no problem with, but I think it's like the food thing, she won't do it around me. What does tha= mean? When are you back?
