Jay can remove the Divan End caps on the R/H divan only, emergency exit lig=ts are installed and the left the van that converts to the bed,

We can put temporary carpet plugs to cover the floor that is exposed, howev=er you can see the raft with the Divan endcap removed,

If you don't mind seeing the raft in view a little bit, we ca= remove the end caps on the right-hand Divan only?

Should we remove R/H end caps or leave caps in place?
