Dear Richard,

Here is the breakdown for the \$100,000 that Jeffrey is giving me for my 70th Birthday:

1. \$30,000 for my 70th Birthday party in Southampton on July 15th. You wired us the money, and the bill was paid.
2. \$15,000 went to Elton John's AIDS Foundation, which you paid directly, enabling me to attend a party at his house in June.
3. \$20,000 deposit for Stark Carpet in my apartment. I paid the bill and we need to be reimbursed.
4. Total expenditure so far is \$65,000.
5. There will be another bill from Stark Carpet for the remaining \$20,000 in a few months.
6. There is \$15,000 that is to be determined.

I am very sorry for any mix up from my office and for any additional billing they mistakenly sent you without my knowledge.

xoxo,

Peggy

Hi Lesley!

Peggy was wondering if Jeffrey saw this email and how he would like to proceed?

Let me know when you get the chance!

Best,

Dear Jeffrey,<=span>

My third and final birthd=y soiree, hosted by Adam & Amalia Lindemann at their Andy Warhol compou=d in Montauk, was a huge success for 70 artists and lefties.

People like Bruce Weber, D=ck Cavett, Julian Schnabel, Blythe Danner, and actress Cherry Jones s=owed up.

The lesbians were Dorothy=span class="xapple-converted-space"> =erwin and Dominiq=e Levy and the token Republicans were Emilia and Pepe Fanjul who br=uht their yacht from Sag Harbor.&nb=p;

Rob Weisenthal came and provided a helicopte= from Southampton at cost for <=span>Avi and Gigi Mortimer.

Lunch was in a tent, over=ooking the ocean. Adam made a funny speech. I, of course, made a heartfelt s=eech about beauty and anti-aging.

I am sending by email my b=oklet. I will mail you some copies on Monday. It has a bright pink cover wi=h a photo of me and a big bow. Tell me where to send them, you can give the= out to all of your friends. I'll send you as many copies as you want. Please read it, even you can learn som=thing, and it will make you laugh.

I just bought an amazing b=own and beige leopard rug that is wall to wall carpeting for my whole apart=ent and being made in France. I probably won't have it for 4 months= but Stark is putting in a temporary floor covering until it comes. The total price is \$39,123. Stark wants a 50% depo=it, which is \$19,561.50. Do you want to pay Stark directly or do you want t= send me the deposit? Either way is fine.

When the apartment gets d=ne, you're my first visitor.=nbsp;

I'm going to Nantucket on Pepe's boat this weekend. I'll be back on Monday.
Hope you're well. Please tell me what you think of the new birthday booklet.

xoxo, </=>

Will be home on Friday, July 14th. Going straight to Southampton for the final planning of my 70th birthday party. The party will be at Avie and Gigi Mortimer's in Southampton on Saturday, July 15th.

I've been working hard on organizing this for three weeks from Europe with my office, the caterer, and the florist. I think it's going to be sensation and I am very excited. =/p>

As you can see, the total is approx. \$=0k. What I am planning to do with the rest of your 100k gift (minus the 15k=for Elton John) is use it for the renovation of my apartment. Will give you further details on that soon.

I wish you were able to be there. As y=u can see, the list is pretty interesting and only you could've made this birthday such a memorable one.

I am also updating the best seller ♦=80♦ "How to Look Like Me at 60" with a sequel called "How to Look Like Me at 70: The Sequel to How to Look Like Me at 60." Will= give you the first signed copy.

P.S. Do you want the caterer and the florist to bill you directly? My accountant Josh put down a \$6k deposit on the caterer.
