Hi Jeffrey,=C2?

Sorry for radio silence.

Battulga is going through establishing his administration. Our team on the ground has been instrumental in the org structure process. There will be an independent think-tank that could assist with strategic studies and policy recommendations like CSIS and Brookings here.

Our team will be the main people there too. So I thought if [REDACTED] is willing to relocate to Mongolia, we could structure that she gets employed with our company and through it have "a front row-seat" with you supporting her financially. My fiancé is coming to Columbia Business School around Aug 15. [REDACTED] could sublease her place, if she likes.

Let me know what do you think. I have reached out to her asking her whether she would consider relocating, to which she said yes. Then I ask her if she would consider working in our company as I wrote above.

Best,
g
