Great! let me know if you need me before! I forgot to tell you a fun story. When i was in rome this winter they stopped me in the street asking me if they could take a picture of me to be in the new movie of Paolo Sorrentino , the director of La grande Bellezza the movie that won the oscar two years ago. Anyways the production called me saying paolo choose me for a small part where i will be one of the girl of berlusconi. The movie is about the life of berlusconi and is called LORO, you can look online.

Ahah nothing special but i think its funny that they choose me to be one of the girl of berlusconi.

Hi Jeffrey! How are you? I haven't heard from you! Just saw your email.

I came back Friday from Mykonos and I have a bit of flu. Mykonos was super fun. Many people from London and New York. I think I saw one of your girl there. The tall blond girl, blue eyes that comes to your house sometimes in New York.

What are you doing ? What's your plan?

I am in Rome now and thinking where to go. A girlfriend invited me to a area in Sicily, or maybe Camillo Caltagirone told me I could come in August. Miss you 😊 xx
