Oh, nice to hear from=you. I'm doing great! I have you to thank for it. You and Boris ha=e done an exceptional thing for me: created an opportunity for me to grow =nd have control over my life. I no longer have unbearable amount of stress=and fear.

The attorney that Bor=s has recommended did a professional job. After couple years of working wi=h her, my case was approved and last year I got my green card. The dozen=E2◆◆s of attorneys that I've visited said my case have no chan=e. Alas, my husband(who played crucial part) and I have recently separated=because we see our present and future differently. In 3,5 years I would be=eligible to apply for citizenship.

Because of your financial support and sponsoring my education at [REDACTED] I acquired practical skills: After I got my work permit, I was able to =ecure a job as software engineer. However, I left that startup few month a=o to look for a better cultural fit. I live in [REDACTED] I'm curr=ntly preparing for technical interviews and will be applying to tech compa=ies in a bay area soon.

There are other two e=citing things that I'm working on:

1. I'm a membe= of [REDACTED] and we are participating in [REDACTED] Everyone in a team is a volunteer. I'm learning ton= about how to design embedded systems. In January our team won "In=ovation" award from [REDACTED]. Next competition is in a month, but we=don't have enough skilled people - it is going to be quite challeng=ing.

2. I recently settled =n a business idea. I currently in process of validating it. I think I can =ork during the day as a software engineer and take care of the "bu=iness" after work. It's a stepping stone in my entrepreneur=ial carrier. It doesn't require startup capital or skilled team me=bers. But it requires some leg work. The idea is not new and already exist= on a market but I will figure out how to be different, better and take ov=r niche that is still for grabs. The idea is simple: massage therapists on=demand with a focus on tech companies with 50-500 employees. I've =spoken with some office managers/HR people who are responsible for employee= "happiness", they seems to be kin on the idea of offering=massage to their employees. I'm in a process of creating web and m=bile application to look credible and collect useful feedback. I have one =committed male masseuse and I'm looking into how to lure female one=

Unfortunately, I stop=ed traveling for bridge tournaments(or any traveling for that matter)♦=A0 because my budget doesn't allow it. I still have passion=for the game and once I save enough, I'll resume my participation.=br>

That is my life in a =utshell. I hope you and Boris are well and prosper :)

Thank you for reading=
