sorry for radio silen=e.

Battulga is going through establishing h=s administration. Our team on the ground has been instrumental is the org =tructure process. There will be an independent think-tank that would assis= with strategic studies and policy recommendations like CSIS and Brookings=here.

Our team will be the main people there=too. So thought if [REDACTED] is willing to relocate to Mongolia, we could str=cture that she gets employed with our company and through it have "a =ront row seat" with you supporting her financially. My fiancé is=coming to Columbia Business School around Aug 15. [REDACTED] could sublease he= place, if she likes.

Let me know what do yo= think. I have reached out to her asking her whether she would consider re=ocating, to which she said yes. Then i ask her if she would consider worki=g in our company as I wrote above.

Best,  
g
