I spoke=with a person named Yehuda Sadok Wants to buy the 727 I believe he's only interested in Our 125 Ops
Certificate,, he ha= spoken to Scott Stambaugh in regards to our airplane and has never asked =ow much it would cost to
make our plane airworthy, He mentioned =urchase for $210k,. This is the same person Scott spoke to his New York
at=orney about, the one you said to Offer $500k Mr Sedok called me =his morning and wants to set up a conference call
with him and his New Yor= attorney for 10 AM tomorrow to discuss the purchase Should Darr=n speak plus myself on
this call,.
Or Pass?
See =nformation about the buyer below he has quite an Internet presence

I told buyer I cannot sell the 125 certificate, it's =wed by Jege Inc., and if we buy a BBJ I may need this certificate to
opera=e, I'm still planning to do FAR91 deviation on BBJ since we will=have less than 19 seats,

I told buyer, I └=;m only selling a B727 aircraft,, Buyer thinks otherwise. <=div>

Pass or take the call?
