Spoke to [REDACTED]. She said that finding candidates isn't easy. I said that earning money for school, rent, and trips isn't easy either, neither is surviving in New York. She said she would appreciate my guidance with candidates - we will have a follow up call tomorrow as she had to go. I said I would try to help her as you had lost your patience already, asked her to show me 3/4 candidates, also asked about her sisters - she said her family members would be uncomfortable. Let's see if she comes up with anything tomorrow.
