I will remove the note on the tennis court. Where is holy shit point? If it is not on Parcel Remainder A or Parcel Remainder C-1, it may get bumped into the major permit. Of course, if you had the location approved before under Permit-No. CZT-05-17, you don't need to show it in this permit request.

Jeffrey,

Attached are the drawings for the two minor permit applications. Because of the size of the files, I will transmit in two separate emails. The residential cottages shown are copies of the first LSJ pavilion. They are just place holders so we can get the permits approved. You can develop alternate designs that can be approved by a simple modification. The tennis court is an accessory structure to the residential cottage on Parcel C-1 Remainder. I am not sure what you mean by calling it enhanced education. Please review and provide comments.
